Sportsmanship Pledge

Kindly sign this pledge after you have attended your team sponsored S.A.G.E. team meeting where this pledge and other sportsmanship resources are reviewed. This pledge summarizes important elements of the youth sports experience and sets out your commitment to sportsmanship and fair play. Signing it is a condition of your participation in our league.

Important Information about Youth and Sports

Kids participate in sports primarily because it's fun. Adults need to keep it fun. Some adults get too emotional about youth sports because they are too concerned about how their kids are doing, have the mistaken belief that winning is very important, or have a desire for glory through their kids' success. That last one is part of the concept of living through your kids.

Kids need to know that if they're trying their best, they are winners. Parents need to remember that their kids will not be great at everything. Recognizing that, parents can help most by relaxing and enjoying these fleeting years.

Placing too much pressure on kids to perform well creates stress that can detract from their fun and their performance and can affect their self-esteem. Instructions shouted to players are distracting, usually too late, and sometimes inaccurate or in conflict with what the coach is teaching.

My Pledge to Set a Good Example

Whether I am a player or an adult, I will not be critical of players, referees, coaches or spectators. As an adult, I should know that failing to show respect for people who are doing the best they can sets a bad example for our children and can result in expulsion from the site, suspension from future attendance, and even barring a child from playing. If anyone makes an inappropriate comment, I will not make a negative response and risk a confrontation.

As a player, I should control my negative emotions to avoid embarrassing myself, risking ejection, and risking a loss of respect for my team. I should also realize that my behavior influences younger players

Coaches should remember that encouragement and praise for every child, not just the best athletes, are critically important to their self-esteem and their ability to achieve the most they can.

I recognize that *striving* to win, rather than winning itself is what is important in life. Striving to win means doing the best you can. Winning too much means that the teams you're playing are weaker.

I recognize that all players must get adequate playing time to improve and gain the confidence that helps them do the best they can. I acknowledge that this is more important than winning games. If coaches feel that their team lost simply because a player of lesser ability received appropriate playing time, they did the right thing.

As an adult or player, I acknowledge that making mistakes and losing are part of life. We all suffer setbacks. I pledge that I will be tolerant of the mistakes of players, coaches, referees, and others.
